

Super Spacer® Liner Stripper

Liner Stripper Features

Aluminum and Delrin construction
Ball bearing Cones
Belt drive

Service Requirements

Electrical: None
Air: None

The Quanex Liner stripper is designed to meet your specific glass shop needs including:

- Unique dual split Cone design for positive liner removal
- Aluminum and Delrin construction for durability
- No adjustment necessary for spacer changes
- Ball bearing Cones reduce pulling resistance
- Mechanical drive system eliminates the need for compressed air
- Quick and easy liner removal
- Easily replaceable drive belts
- Lower Maintenance
