

Q-LON Doors Seals brought to
you by **AmesburyTruth**

Quanex[®]

FEATURE	BENEFITS
Embossed polyethylene liner	Resists paints and varnishes. Long lasting. Maintains an attractive appearance. Stable in sunlight. Tested up to 5,000 Ki/m2 with no visible degradation.
Urethane open-celled foam	Shape and resiliency are retained over time. Offers excellent all-temperature sealing performance. No corner leaks. Seal conforms to uneven surfaces.
Extended reach design	The seal conforms to warped doors.
Low shrink option	More stable in harsh environments.

RELIABLE PARTNER

- North American manufactured
- Reeled or cut length options
- Quality you can count on
